POLICY

The Chief Investment Officer’s Report – Open Session is covered under the reporting and monitoring requirements of the overall CalSTRS [Investment Policy and Management Plan \(IPMP\)](#).

HISTORY AND PURPOSE OF THE ITEM

This item has been included in the Investment Committee agenda at each meeting for the purpose of providing the Committee with critical market information, the recent portfolio asset allocation information and risk profile to assist in their oversight of the CalSTRS Investment Portfolio.

REPORTS ON THE WEB

- CalSTRS.com – go to the “Investments” tab for the most current information on the CalSTRS Investment Portfolio.
- Reports & Surveys – for annual and semi-annual investment reports.
- Investments 101 – for a video glossary of investment terms.
- Inside CalSTRS Investments – for a video library on key topics, such as fees, returns and asset classes.

CONCLUSION

This report is divided into three sections. First, Investment Portfolio Risk report produced by the Risk and Innovation under the leadership of Geraldine Jimenez. Second, a PowerPoint presentation by the CIO on key charts within the Risk Report as well as current financial market
